Annual 47 C.F.R. § 64.2009(e) CPNI Certification

FB Docket 06-36

Annual 64.2009(e) CPNI Certification for 2007

Date filed: September 11, 2008

Name of company covered by this certification: Contact Network, Inc.

Form 499 Filer ID: 822576

Name of signatory: Martin Costa

Title of signatory: President

I, Martin Costa, certify that I am an officer of the company named above, and acting as an agent of the company, that I have personal knowledge that the company has established operating procedures that are adequate to ensure compliance with the Commission's CPNI rules. *See 47 C.F.R. § 64.2001 et seq.*

Attached to this certification is an accompanying statement explaining how the company's procedures ensure that the company is in compliance with the requirements set forth in section 64.2001 *et seq.* of the Commission's rules.

The company has not taken any actions (proceedings instituted or petitions filed by a company at either state commissions, the court system, or at the Commission against data brokers) against data brokers in the past year. Companies must report on any information that they have with respect to the processes pretexters are using to attempt to access CPNI, and what steps companies are taking to protect CPNI.

The company has not received any customer complaints in the past year concerning the unauthorized release of CPNI (number of customer complaints a company has received related to unauthorized access to CPNI, or unauthorized disclosure of CPNI, broken down by category or complaint, e.g., instances of improper access by employees, instances of improper disclosure to individuals not authorized to receive the information, or instances of improper access to online information by individuals not authorized to view the information).

Calendar Year 2007

Statement of CPNI Procedures and Compliance

Contact Network, Inc. does not use or permit access to CPNI to market any telecommunications or non-telecommunications services. Contact Network, Inc. has trained its personnel not to use CPNI for marketing purposes. Should Contact Network, Inc. elect to use CPNI in future marketing efforts, it will follow the applicable rules set forth in 47 CFR Subpart U, including, if necessary, the institution of operational procedures to ensure that notification is provided and customer approval is obtained before CPNI is used or disclosed.

Contact Network, Inc. has instituted training procedures and a corresponding disciplinary process to ensure that its personnel understand and comply with restrictions regarding the use and disclosure of, and access to, CPNI. Requests for CPNI by law enforcement agencies are only granted if a subpoena is provided or if the customer provides written permission.

Contact Network, Inc. maintains a record of all instances where CPNI was disclosed or provided to third parties, or where third parties were allowed access to CPNI.

Contact Network, Inc. does not disclose CPNI either over the telephone or on-line. If it elects to do so in the future, it will follow the applicable rules set forth in 47 CFR Subpart U, including the implementation of authentication procedures that do not require the use of readily available biographical information or account information and customer notification of account changes.

Contact Network, Inc. does not offer a back-up authentication method.

Contact Network, Inc. has put into place procedures to notify customers whenever a password, customer response to a back-up means of authentication for lost or forgotten passwords, online account, or address of record is created or changed. Notification may be either by voicemail or mail to address of record.

Contact Network, Inc. has in place procedures to notify law enforcement in the event of a breach of customers' CPNI and to ensure that customers are not notified of the breach before the time period set forth in the FCC's rules, or, if applicable, when so authorized by law enforcement. Contact Network, Inc. will make notification electronically to the United States Secret Service and the FBI through the central reporting facility at <http://www.fcc.gov/eb/cpni>. Contact Network, Inc. maintains written and/or electronic records of all breaches discovered and notifications made to the USSS and the FBI, and to customers.

Contact Network, Inc. has not taken any actions against data brokers in the last year.

Contact Network, Inc. did not receive any customer complaints about the unauthorized release of CPNI or the unauthorized disclosure of CPNI in calendar year 2007.

Contact Network, Inc. has not developed any information with respect to the processes pretexters are using to attempt to access CPNI but does take steps to protect CPNI and does not disclose CPNI via telephone or on-line inquiries.
